- **FORMAT:** 180 mL cobalt blue glass bottle.

Keep out of reach of children.

DOCUMENTATION

True floral waters from Provence, Essencia floral waters are obtained by steam distillation of the flowers and / or leaves of the plant. Alcohol-free, floral waters are natural tonic lotions that preserve the plant's aroma, as well as its therapeutic and cosmetic properties.

CHAMOMILE (*Anthemis nobilis*, flowers): Softening, refreshing and skin healing, especially for the face and eyelids. Clarifies skin tone and lightens blonde hair.

FRANKINCENSE (*Boswellia Carterii*, wood): Used as a daily wrinkles treatment. Invigorates and revitalizes all skin type. Calms anxiety and stress.

LAVENDER (*Lavandula officinalis*, flowers): Adapted to all skin types, lavender's antiseptic, cleansing, skin healing and softening action fights imperfections. Effective against burns and skin disorders and acne. Relieves insect bites and stings, and gives new life to tired limp hair.

LINDEN TREE (*Tilia sylvestris*, flowers): Tonic, calming, skin healing, softening lotion for dry, sensitive and irritated skin. Add to the bath for relief of nervous fatigue.

ORANGE FLOWER (*Citrus aurantium amara*, flowers): Used primarily as a food flavoring, orange water softens, relaxes and makes dry, irritated skin more supple. Equally used as a mild sedative for agitated children (bath, bottle).

PEPPERMINT (*Mentha piperita*, leaves and flowers): Very refreshing tonic lotion for every skin type. Refreshes and soothes shingles and sunburn. Excellent rub for migraines and analgesic for tired heavy legs, overheated feet and muscular pain.

PURE ROSE (*Rosa damascena*, flowers, petals): Tonic, hydrating, softening and regenerating lotion. Excellent for reducing or preventing the appearance of wrinkles. Leaves skin looking radiant, sparkling and satiny soft.

ROSEMARY (*Rosmarinus officinalis*, flowers): Purifies and tones oily and / or acne-prone skin. Excellent on burns and wounds. Stimulates the scalp and helps combat dandruff. Its fortifying action prevents hair loss. Used as a rub, rosemary helps dissipate muscular and rheumatic pain.

SANDALWOOD (*Santalum Album*): Used to treat acne, rosacea, eczema, psoriasis, greasy skin. Equally used as a delicate and sweet alcohol-free after-shave.

VERBENA (*Lippia citriodora*, leaves): To benefit from its anti-inflammatory properties, use as a rub or in the bath for cases of rheumatism, arthritis, and joint pain. Calming and relaxing.

WILD CORNFLOWER (*Centaurea cyanus*, flowers): Tonic, firming and softening. Soothes and refreshes red, tired baggy eyes. Applied as an eye compress or bath, helps relieve conjunctivitis and sties.

WITCH HAZEL (*Hamamelis virginiana*, leaves): Very astringent tonic lotion that decongests baggy eyes and is an excellent alcohol-free after-shave. Helps reduce and prevent the appearance of acne rosacea.
