Indications:

This natural syrup helps relieve cough due to a cold, the flu or bronchitis in children age 0-9.

Directions:

Children under 5 years of age: 1/2 teaspoon 3 or 4 times daily. *Children over 5 years of age:* 1 teaspoon 3 or 4 times daily, or as directed by a healthcare practitioner. To be taken between meals.

Warning:

Consult a healthcare practitioner if cough persists for more than 5 days or is accompanied by a high fever. Keep this medication out of reach of children.
